**RE: CONDITIONAL ACCEPTANCE FOR VALUE – REQUEST FOR PROOF OF CLAIM AS TO THE STATUS OF MONETARY CONDITIONS WITHIN THE STATE OF MONTANA TO PAY DEBTS AT LAW, JURISDICTION AND OTHER MATTERS, CONSTITUTING AGREEMENT.**

Dear Administrator Olson,

I'm in receipt of Payment Coupon - Letter/Statement dated March 31, 2008, Total \$15,886.08 Case Number 629, PAR ID 0000034417 emanating out of the State of Montana (Missoula County). I seek Proof of Claim regarding the nature of exhausting my private administrative remedy from your Office as to the monetary status and condition(s) within the State of Montana/STATE OF MONTANA, contract issues, jurisdiction as to child Support/Debt Collection Tactics and otherwise within 'this' State. As I want to resolve this matter as soon as possible and pay/discharge this debt/judgment, it is of necessity that I can only do so conditioned upon you or your Department's Proof of Claim.

As necessary, the Proof(s) of Claim are enumerated below:

1. PROOF OF CLAIM that the State of Montana/STATE OF MONTANA does not operate under the U.S. Bankruptcy confirmed on June 5, 1933 (see Senate Report No. 93-549, codified at 12 U.S.C.A. 95 a) also known as the National Emergency. (See: Executive Proclamation No. 3972).
2. PROOF OF CLAIM that the U.S. Bankruptcy did not impair the obligations and considerations of contracts through the "Joint Resolution To Suspend The Gold Standard And Abrogate the Gold Clause," June 5, 1933 as it may operate within the State of Montana/STATE OF MONTANA.
3. PROOF OF CLAIM that the State of Montana/STATE OF MONTANA was not one of the several States of the Union that did not pledge the faith and credit (of the people) thereof to the aid of the National Government in respect to the National Emergency in and around 1934.
4. PROOF OF CLAIM that the U.S. Bankruptcy/National Emergency has been terminated and does not operate within 'The' or 'This' State/STATE and lawful 'constitutional' money has been reinstated and is in circulation to allow the people to 'pay their debts at law.'
5. PROOF OF CLAIM that within the State of Montana/STATE OF MONTANA, all State Banks are not under the direction and control of the corporate "Governor" of the International Monetary Fund (See: Public Law 94-564).
6. PROOF OF CLAIM that the State of Montana/STATE OF MONTANA by becoming a corporator (see: 22 U.S.C.A. 286e) did not lay down its sovereignty and take on [the character] that of a private citizen and that it can exercise no power which is not derived from the corporate charter. (See: The Bank of United States vs. Planters Bank of Georgia, 6 L. Ed. (9 Wheat) 244))
7. PROOF OF CLAIM that there are clauses in the state/STATE or Federal Constitutions that subject a citizen to statutory jurisdiction of the State of Montana.
8. PROOF OF CLAIM that the word 'person' when used in legal terminology is not perceived as a general word which normally includes in its scope a variety of entities other than human beings.
